## 21-24 RESOLUTION TO APPROVE MEMORANDUM OF UNDERSTANDING WITH OAPSE REGARDING STEP PLACEMENT AFTER BUMPING OR BID INTO PRIOR CLASSIFICATION

This Memorandum of Understanding ("MOU") is between the Northwest Local School District Board of Education (Scioto County) ("the Board") and the Ohio Association of Public School Employees/AFSCME/AFL-CIO and its Local #376 ("Association") to modify the provision of the collective bargaining agreement between them concerning step placement after bumping or bid into a prior classification.

**WHEREAS**, the Board and the Association are parties to a collective bargaining agreement for the period of July 1, 2022 through June 30, 2025 ("CBA"); and

**WHEREAS**, the CBA provides for bargaining unit members who are laid off and bump into a prior classification in which they have experience to be placed at the zero (0) step of that prior classification; and

**WHEREAS**, the parties wish to modify current contract language to provide employees with credit on the salary schedule for prior experience as a regular Board employee in a classification, whether they bump or bid into the prior classification;

**NOW THEREFORE**, the Parties agree to the following, effective upon execution by all parties:

1. Through June 30, 2025, the first paragraph of Article 11, Section 11.10, shall be modified to read as follows:

Employees who are laid off in a particular classification and who have at least one year (120 days) of **regular** employment experience with the Board in another classification shall have their names added to the other employment classification seniority list and shall be permitted to bump into that classification if their District seniority is greater than the least senior person then employed in that classification. The person exercising bumping rights would fill the position of the least senior person they bumped, regardless of duties, hours, or shift. The person exercising bumping rights shall be **given credit for the number of years they worked previously as a regular Board employee in the classification they are bumping into when they are placed on the salary schedule in that classification.**

2. Through June 30, 2025, the contract shall be further modified to add the following provision to Article 10:

Employees who bid on and are awarded a position in a classification in which they previously worked as a regular (not substitute) Board employee for a least one year (120 days) shall be given credit for the number of years they worked previously when they are placed on the salary schedule in the classification they bid into.

This increase in pay shall not be retroactive.
4. All other provisions of the Negotiated Agreement shall remain the same.
5. This MOU constitutes the entire agreement between the Board and OAPSE regarding the issues outlined herein. There are no other written or verbal agreements, understandings or arrangements between the Parties regarding the issues outlined herein.
