Dear School Community,

Northwest Local School District is committed to the safety and health of our students and staff. We want to inform you that that we have recently received information that Northwest Elementary School had (7) students tested positive and (0) staff. Northwest Middle School had (12) students tested positive and (0) staff tested positive while Northwest High School had (8) students tested positive and (1) staff tested positive for COVID-19. We are working closely with the Scioto County Health Department and anyone identified as a close contact will be notified by the health department as a part of COVID-19 investigation.

Northwest District will remain on its current schedule at this time.

We ask you to take these steps to continue to be aware of your health:

1. As a precaution, consider postponing plans for play dates, family visits, and extracurricular and social according to Scioto County Health Department Guidelines.
2. Continue to check your child for COVID-19 symptoms daily: fever or chills, new uncontrolled cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, diarrhea, abdominal pain, new onset of severe headache, especially with fever.
 - If anyone in your household develops symptoms or tests positive for COVID-19, they should immediately isolate and call Scioto County Health Department 740- 355-8358. Also contact your medical providers.

- If NO symptoms develop and you have not been instructed otherwise to quarantine for a different exposure, your child may continue to attend school.

If you have any questions, contact Northwest Middle School at 740-259-2528 or the Scioto County Health Department) at 740-355-8358. Thank you for helping to keep people safe and to slow the spread of COVID-19 in our community and school.

For answers to your COVID-19 questions, call 1-833-4-ASK-ODH (1-833-427-5634) or visit coronavirus.ohio.gov. Resources from the CDC include:

COVID-19 FAQ's

What to do if you're sick or suspect you're sick:

- ▲ **Keep in touch with your doctor.**
Contact your doctor and be sure to call before you go in. Get care if you feel worse or believe there is an emergency.
- ▲ **Stay home except to get medical care.**
People who are mildly ill with COVID-19 are able to recover at home but should not leave or visit public areas. Use CDC criteria to determine when you can stop isolating and leave home.
- ▲ **Don't be afraid to ask for help.**
Ask a family member, friend, or neighbor to get your groceries, mail, and other essential needs and leave them outside your door.
