Dear Parents/Guardians:

The Northwest Local School District has obtained a waiver with the United States Department of Agriculture (USDA) to provide meals at no cost to all students in our district as well as to any persons 18 years or younger who reside within a 60 mile radius of the District. This program will be reviewed for continuance on December 31, 2020 at which time we be advised if the waiver will be extended into 2021.

During these difficult times, we hope you will take advantage of this program for your children who are on-line learners. However, if you request meals, please be sure you pick them up on schedule so that we do not prepare meals that will have to be discarded. You will receive information regarding pick-up times and locations when you request the meal service.

If you wish to request meals, please call Mr. Cory Freeman, Food Service, at 740-259-2528, ext. 2109. Additionally, you may contact the cafeteria at the school your child attends.

Thank you.

Sincerely,

CORY FREEMAN
